

GreatLIFE Woodlake
Junior Tennis League – Fall 2016
Starts August 28th!!

The Junior Tennis League is designed for players wishing to improve their skills and game. The league is designed to match players of similar skill and ability, with the competition of actual matches. This is the chance to implement what has been learned during the lesson sessions. Matches are played in an 8-game pro-set fashion using “no ad” scoring, with a tiebreaker played at 7-7 in the set.

The league will start on August 28th and end October 16th. THERE WILL BE NO LEAGUE LABOR DAY WEEKEND (SEPT. 4). Let Mitch Barr know in advance if there is a date that will be missed throughout the session. Match times are somewhat flexible and will be played throughout the day on Sundays, with the 10-under league matches played from 1:30-2:30.

If a match is missed, we will do everything we can to make it up but with large numbers there is no guarantee on the make-up match. Please notify Mitch Barr of any conflicts/schedule changes by TUESDAY OF THE PRECEDING WEEK OF THE MATCH, if you are going to miss that week or need a time change. Thank you for participating in this fun, yet competitive, league!
